

Americans of all ages and backgrounds in community-based service. This service addresses the nation's education, public safety, human, and environmental needs to achieve direct and demonstrable results. In doing so, the Corporation fosters civic responsibility, strengthens the ties that bind us together as a people, and provides educational opportunity for those who make a substantial commitment to service.

Pursuant to the National and Community Service Act of 1990, as amended, the Corporation "shall provide . . . for the continuing evaluation" of its programs. 42 U.S.C. Sec. 12639. Through a cooperative agreement, the Corporation will make one award to provide evaluation training and technical assistance to AmeriCorps*National and *State and Learn & Serve America: Higher Education programs. The Corporation anticipates that in program year 1995-96, there will be up to 450 AmeriCorps grant programs serving through over 1100 operating sites. The Corporation also anticipates that in program year 1995-96 there will be up to 116 Learn & Serve America: Higher Education grantees. Some of the grantees will make subgrants, so there may be approximately 250 local programs (local programs are generally located at the college/university level).

Period of Support

The cooperative agreement period will be approximately 18 months, with implementation beginning approximately in late September 1995, with the possibility of renewal.

Eligible Applicants

Applicants must be a non-profit organization, an educational institution, or a for-profit organization.

Program Elements

The required work will include, but will not be limited to:

1. Helping programs create outcome-oriented community service and participant development objectives;
2. Helping programs create and use systems for keeping track of numbers of service recipients (e.g., number of people tutored) and numbers or volumes of services (e.g., number of hours of tutoring, miles of trail cleared, etc.);
3. Helping programs develop and employ strategies for assessing the impact of their services (e.g., improved reading skills, increased civic responsibility);
4. Helping programs collect and use stakeholder feedback;

5. Helping programs analyze and make use of their evaluation efforts;

6. Helping State Commissions and national non-profit "parent-organization" develop evaluations and evaluation infrastructure.

Corporation Involvement

Substantial involvement is expected between the Corporation and the successful applicant when carrying out the program. The applicant must keep relevant Corporation staff informed of its activities; work with Corporation staff during development, delivery and assessment of training; and attend meetings and conferences at the Corporation's request.

Overview of Application Requirements

Application requirements will be set forth in detail in the application materials. Each applicant must submit one original and three copies of its application package. The requirements will include a completed application form, a narrative section, an implementation timeline, a staffing plan, a description of how instrumentation and methodology will be catalogued, a self-assessment plan, budget information, certifications and assurances pertaining to recipients of federal funding.

Application Review

Initially all applications will be reviewed to confirm that the applicant is an eligible recipient and to ensure that the application complies with the application instructions and contains all the information required. The Corporation will assess applications based on the criteria listed below (in descending order of importance):

- (1) Quality
- (2) Organizational Capacity
- (3) Coordination Plans
- (4) Evaluation Design and Documentation Plans
- (5) Knowledge and Understanding of AmeriCorps Local Evaluation Requirements
- (6) Proposed Costs

Department of the Army

Intent To Prepare a Draft Environmental Impact Statement for Wetland Restoration Along Portions of the Pearl River and Holmes Bayou, Mississippi and Louisiana

AGENCY: U.S. Army Corps of Engineers, Vicksburg District, DOD.

ACTION: Notice of intent.

SUMMARY: The proposed action would improve low flows within the Pearl River and Holmes Bayou to sustain and restore adjacent wetlands. Project authority is Section 307(d) of the Water Resources Development Act of 1990. The study area includes portions of

Pearl River County, Mississippi, and St. Tammany Parish, Louisiana.

FOR FURTHER INFORMATION CONTACT:

Mr. Gary Young (telephone (601) 631-5960), U.S. Army Engineer District, Vicksburg, ATTN: CELMK-PD-Q, 2101 North Frontage Road, Vicksburg, Mississippi 39180-5191.

SUPPLEMENTARY INFORMATION: 1.

Proposed Action: During Low-flow conditions, Wilson Slough captures most of the flow from the Pearl River. Currently, a 3-mile segment of the Pearl River ecosystem in the vicinity of Walkiah Bluff is severely impacted by low-flow conditions. Wetlands associated with approximately 22 miles of the Pearl River and Holmes Bayou below Wilson Slough would be adversely impacted if Wilson Slough captures the remaining flow. The proposed action would improve low flows within the Pearl River and Holmes Bayou to sustain and restore this wetland ecosystem.

2. Alternatives: An array of alternatives, including no-action and structural measures, will be formulated and evaluated.

3. a. A scoping meeting will be held in July 1995. A public notice will be published to inform the general public of the location, time, and date of the scoping meeting. All affected Federal, state, and local agencies and interested private organizations and groups will be invited to participate

b. The Environmental Protection Agency; U.S. Fish and Wildlife Service; Mississippi Department of Wildlife, Fisheries and Parks; Mississippi Department of Environmental Quality; Louisiana Department of Wildlife and Fisheries; and Louisiana Department of Environmental Quality will be invited to participate as cooperating agencies

4. A Draft Environmental Impact Statement will be available for review by the general public in June 1996.

DEPARTMENT OF EDUCATION

Notice of Proposed Information Collection Requests

AGENCY: Department of Education.

ACTION: Notice of proposed information collection requests.

SUMMARY: The Director, Information Resources Group, invites comments on the proposed information collection requests as required by the Paperwork Reduction Act of 1980.

DATES: Interested persons are invited to submit comments on or before August 7, 1995.

ADDRESSES: Written comments should be addressed to the Office of Information and Regulatory Affairs, Attention: Dan Chenok: Desk Officer, Department of Education, Office of Management and Budget, 725 17th Street, NW., Room 3208, New Executive Office Building, Washington, DC 20503. Requests for copies of the proposed information collection requests should be addressed to Patrick J. Sherrill, Department of Education, 600 Independence Avenue, SW., Room 5624, Regional Office Building 3, Washington, DC 20202-4651.

FOR FURTHER INFORMATION CONTACT:

Individuals who use a telecommunications device for the deaf (TDD) may call the Federal Information Relay Service (FIRS) at 1-800-877-8339 between 8 a.m. and 8 p.m., Eastern time, Monday through Friday.

SUPPLEMENTARY INFORMATION: Section 3517 of the Paperwork Reduction Act of 1980 (44 U.S.C. Chapter 35) requires that the Office of Management and Budget (OMB) provide interested Federal agencies and the public an early opportunity to comment on information collection requests. OMB may amend or waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose of the information collection, violate State or Federal law, or substantially interfere with any agency's ability to perform its statutory obligations. The Director of the Information Resources Group, publishes this notice containing proposed information collection requests prior to submission of these requests to OMB. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g., new, revision, extension, existing or reinstatement; (2) Title; (3) Frequency of collection; (4) The affected public; (5) Reporting burden; and/or (6) Recordkeeping burden; and (7) Abstract. OMB invites public comment at the address specified above. Copies of the requests are available from Patrick J. Sherrill at the address specified above.
